LB 390, 390A, 684

quickly say that LB 390 updates the Radiation Control Act, provides some additional authorities to the Department of Health in administering that act, and deals with the primacy question that was raised in federal legislation, wanted to make sure the Health Department has the statutory authority and ability to carry out their responsibilities in this area. So we do need to pass this bill and would appreciate very much its advancement to Select File.

SPEAKER BARRETT: Thank you. Discussion. Seeing none, those in favor of the advancement of LB 390 to E & R Initial vote aye, opposed nay. Have you all voted? Please record.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of 390.

SPEAKER BARRETT: LB 390 is advanced. The A bill, Mr. Clerk.

CLERK: LB 390A, Mr. President, by Senator Wesely. (Read title.)

SPEAKER BARRETT: Senator Wesely.

SENATOR WESELY: Mr. Speaker, members, okay, this A bill appropriates \$294,000 from the Cash Fund. This is covered by fees that are provided for in the bill to cover the operation of the Radiation Control Act. I move advancement of the bill.

SPEAKER BARRETT: Any discussion? If not, those in favor of the advancement of the A bill please vote aye, opposed no. Voting on the advancement of the bill. Please record.
